

BASIC

The desk is always the centre of activity, where things are constantly happening. Here people design, construct and formulate – or in other words: work!

The BASIC work desk is supplemented here with the B_Run swivel chair, which can flexibly adapt to the users needs, by way of intelligent technology, intuitive functionality, ergonomics and functional variability.

*This promotion is valid only for table top sizes of 140/70 and 160/80.
For sales in Germany orders are processed exclusively by our dealers.
